

I Will Survive –Gloria Gaynor

At first I was afraid, I was petrified
Kept thinking I could never live without
you by my side
But then I spent so many nights thinking
how you did me wrong
And I grew strong
And I learned how to get along
And so you're back
From outer space
I just walked in to find you here with that
sad look upon your face
I should have changed that stupid lock, I
should have made you leave your key
If I'd known for just one second you'd be
back to bother me
Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt
me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll
survive
I will survive, hey, hey

It took all the strength I had not to fall
apart
Kept trying hard to mend the pieces of
my broken heart
And I spent oh-so many nights just
feeling sorry for myself
I used to cry

But now I hold my head up high and you
see me
Somebody new
I'm not that chained-up little person and
still in love with you
And so you felt like dropping in and just
expect me to be free
Well, now I'm saving all my lovin' for
someone who's loving me
Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break
me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll
survive
I will survive

Oh
Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break
me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll
survive

I Love you like a Love Song – Selena Gomez

It's been said and done
Every beautiful thought's been already
sung
And I guess right now here's another
one
So your melody will play on and on, with
the best of 'em
You are beautiful, like a dream come
alive, incredible
A centerfold, a miracle, lyrical
You've saved my life again
And I want you to know baby

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat
I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat

Constantly, boy you played through my
mind like a symphony
There's no way to describe what you do
to me
You just do to me, what you do
And it feels like I've been rescued
I've been set free, I am hypnotized by
your destiny
You are magical, lyrical, beautiful
You are, and I want you to know baby

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat

No one compares
You stand alone, to every record I own
Music to my heart that's what you are

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat
I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat

Your Body is a Wonderland John Mayer

We got the afternoon
You got this room for two
One thing I've left to do
Discover me
Discovering you
One mile to every inch of
Your skin like porcelain
One pair of candy lips and
Your bubblegum tongue
And if you want love
We'll make it
Swim in a deep sea
Of blankets
Take all your big plans
And break 'em
This is bound to be a while
Your body is a wonderland
Your body is a wonder (I'll use my
hands)
Your body is a wonderland
Something 'bout the way your hair falls
in your face
I love the shape you take when crawling
towards the pillowcase
You tell me where to go and
Though I might leave to find it
I'll never let your head hit the bed
Without my hand behind it
You want love?
We'll make it
Swim in a deep sea
Of blankets
Take all your big plans
And break 'em
This is...

Baby I love your Way by Peter

Frampton

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city
Don't hesitate
'Cause your love won't wait

Ooh baby I love your way
Want to tell you I love your way
Want to be with you night and day

Moon appears to shine and light the sky
With the help of some firefly
Wonder how they have the power to
shine, shine, shine
I can see them under the pine
Don't hesitate
Cause your love won't wait

Ooh baby I love your way
Want to tell you I love your way
Want to be with you night and day

Well don't hesitate
Cause your love won't wait

I can see the sunset in your eyes
Brown and gray, blue besides
Clouds are stalking islands in the sun
I wish I could buy one
Out of season

Don't hesitate
Cause your love won't wait

Ooh baby I love your way
Want to tell you I love your way
Want to be with you night and day

Back at One by Brian McKnight

It's undeniable
That we should be together
It's unbelievable
How I used to say
That I'd fall never
The basis is need to know
If you don't know
Just how I feel
Then let me show you now
That I'm for real
If all things in time
Time will reveal

One
You're like a dream come true
Two
Just want to be with you
Three
Girl, it's plain to see
That you're the only one for me
And four
Repeat steps one through three
Five
Make you fall in love with me
If ever I believe my work is done
Then I'll start back at one

It's so incredible
The way things work themselves out
And all emotional
Once you know what it's all about, hey
And undesirable
For us to be apart
I never would have made it very far
'Cause you know you've got the keys to
my heart

One

You're like a dream come true
Two
Just want to be with you
Three
Girl, it's plain to see
That you're the only one for me
And four
Repeat steps one through three
Five
Make you fall in love with me
If ever I believe my work is done
Then I'll start back at one

Say farewell to the dark of night
I see the coming of the sun
I feel like a little child
Whose life has just begun
You came and breathed new life
Into this lonely heart of mine
You threw out of the lifeline
Just in the nick of time

One
You're like a dream come true
Two
Just want to be with you
Three
Girl, it's plain to see
That you're the only one for me
And four
Repeat steps one through three
Five
Make you fall in love with me
If ever I believe my work is done
Then I'll start back at one

I will Always Love You by Whitney
Houston

If I should stay
I would only be in your way
So I'll go but I know
I'll think of you every step of the way

And I... will always love you, ooh
Will always love you
You
My darling, you...
Mmm-mm

Bittersweet memories –
That is all I'm taking with me.
So good-bye.
Please don't cry:
We both know I'm not what you, you
need

And I... will always love you
I... will always love you
You, ooh

[Instrumental / Sax solo]

I hope life treats you kind
And I hope you have all you've dreamed
of
And I wish you joy and happiness
But above all this I wish you love

And I... will always love you
I will always love you
I will always love you
I will always love you

I will always love you
I, I will always love you.

You.
Darling, I love you.
I'll always...
I'll always love you.
Ooh
Ooh

My Heart Will go on by Celine Dion

Every night in my dreams
I see you, I feel you
That is how I know you go on

Far across the distance
And spaces between us
You have come to show you go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on

Love can touch us one time
And last for a lifetime
And never let go till we're one

Love was when I loved you
One true time I hold to
In my life we'll always go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on

There is some love that will not go away
You're here, there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on

Ignition by R. Kelly

No I'm not tryin' to be rude,
But hey pretty girl I'm feelin' you
The way you do the things you do
Remind me of my Lexus coup
That's why im all up in your grill
Tryna get you to a hotel
You must be a football coach
The way you got me playin' the field

So baby give me that toot toot
Let me give you that beep beep
Runnin' her hands through my 'fro
Bouncin' on 24's
While they saying on the radio

It's the remix to ignition
Hot and fresh out the kitchen
Mama rollin' that body
Got every man in here wishin'
Sippin' on coke and rum (rum)
I'm like so what I'm drunk (drunk)
It's the freakin' weekend baby
I'm about to have me some fun (fun)

Bounce Bounce Bounce Bounce
Bounce Bounce Bounce
Bounce Bounce Bounce
Come on

Now it's like murder she wrote
Once I get you out them clothes
Privacy is on the door
But still they can hear you screamin'
more
Girl I'm feelin' what you feelin'
No more hopin' and wishin'
I'm bout to take my key and
Stick it in the ignition

So give me that toot toot
Let me give you that beep beep
Runnin' her hands through my 'fro
Bouncin' on 24's
While they saying on the radio

This is the remix to ignition
Hot and fresh out the kitchen
Mama rollin' that body
Got every man in here wishin'
Sippin' on coke and rum (rum)
I'm like so what I'm drunk (drunk)
It's the freakin' weekend baby
I'm about to have me some fun (fun)

Put I on Me by Ja Rule

Where would I be without my baby
The thought alone might break me
And I don't want to go crazy

But every thug needs a lady
Girl it feel like you and I been mourning together
Inseparable, we chose pain over pleasure
For that you'll forever be a, part of me
Mind body and soul ain't no I in we (baby)
When you cry who wipes your tears
When you scared, who's telling you there's nothin to
fear
Girl I'll always be there
When you need a shoulder to lean on
Never hesitate knowing you can call on, your soul-
mate
And vice versa, that's why I be the first to
See Jacob and frost your wrist up
Now you owe me, I know you're tired of being lonely
So baby girl put it on me
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Yo, and I appreciate the rocks and gifts that you cop
me baby
And that house on the hill when you drop like 80
On a down payment thinking damn ain't life gravy
And ever since for my honey I been twice the lady
What would I do without the nights that you kept me
warm
When this cold world had a girl caught in a storm
And I accept when you riff when you caught in a roam
And respect when you flip, 'cause our love is strong
And when you hit the block, I watch for 10-4
And when my pops asleep you snuck in the backdoor
Baby boy we been down since junior high
So when life get hot in july it's the world against you
and I
We ballin', tied together and never
Heart from the heart, knew that it would last forever
When you told me, you would never leave me lonely
So baby boy put it on me
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Since we met it's been you and I
A tear for a tear, baby eye for an eye
And you know that my heart gon cry

If you leave me lonely
'Cause you not just my love you my homie
Who's gonna console me, my love
I'm outta control hold me, my love
Cause I'm yours
And I don't want to do nothin to hurt my baby girl
If this was our world it'd be all yours, baby
The thought alone might break me
And I don't want to go crazy
Cause every thug needs a lady (yeah, yeah)
I feel you baby cause them eyes ain't lying
Wash away all the tears there be no more crying
(baby)
And you complete me, and I would die if you ain't wit
me
So baby girl put it on me
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)
Where would I be without you (uh)
I only think about you (yeah)
I know you're tired or being lonely (lonely)
So baby girl put it on me (put it on me)

Whenever, Wherever by Shakira

Lucky you were born that far away so
We could both make fun of distance

Lucky that I love a foreign land for
The lucky fact of your existence

Baby I would climb the Andes solely
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebody

Can't you see
I'm at your feet

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear

Lucky that my lips not only mumble
They spill kisses like a fountain
Lucky that my breasts are small and
humble
So you don't confuse them with
mountains

Lucky I have strong legs like my mother
To run for cover when I need it
And these two eyes that for no other
The day you leave will cry a river

At your feet
I'm at your feet

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
Thereover, hereunder

You'll never have to wonder
We can always play by ear
But that's the deal my dear

Think out loud
Say it again
Tell me one more time
That you'll live
Lost in my eyes

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel
